TYPES OF WINES

NON-ALCOHOLIC ●

It must be less than 0.5% alcohol by volume, and the wine undergoes special techniques to remove the alcohol after fermentation.

NATURAL ●

Made with minimal human intervention and no additives during the production process. No chemicals are added, and indigenous grapes are used.

BIODINÁMICO ●

Biodynamic, produced through the influence of lunar, planetary, and seasonal cycles. No pesticides, herbicides, or synthetic fertilizers are used.

ORGANIC ●

It is made following sustainable agricultural and winemaking practices, without using synthetic chemicals. Its production is regulated by specific standards.
